LMU Mentoring

LMU Mentoring - Faculty of Chemistry and Pharmacy

Prerequisites LMU Mentoring Program 2022

Who can apply?

Young scientists in their doctoral studies, postdocs and young group leaders.

How can you apply?

Please fill out the „Application Form“. Choose a mentor from the pool, which is provided on the Webpage of the program or suggest an external mentor. In this case please provide contact information. Contact the mentor in person in order to come to a mutual agreement. The mentor is asked to co-sign your „Application Form“.

For what kind of support can you apply?

You can apply for student research assistance in order to finish important experimental work. You can also apply for partial payment of travel expenses in order to present your scientific work at a conference. Finally, you can also apply for material expenses.

In case you have any questions please write an e-mail to: Mentoring18@lmu.de
